**Dear Liz Bardsley,**

**I refer to your letter dated 22<sup>nd</sup> August 2007 which arrived today. You appear to be labouring under two erroneous impressions: 1) that I have an account with you number 414080201 and 2) that I owe your company money.**

After you have read the posting please give me a call and we can discuss how much money your company is going to pay me in compensation for the misery and suffering you caused me including the services I paid for but didn't receive.

Yours Sincerely,
